WEEKLY PILL DISPENSING SYSTEM

- BLISTERS & LABELS
- ACCESSORIES
- DISTRIBUTION
- UNIDOSE
The DISPELL pill dispensing system has been meticulously designed to constitute a first-line solution for treatment compliance.

A DAILY PEACE OF MIND

4 TAKEN PER DAY
7-DAY DOSES

ALL-IN-ONE
THE MOST EFFECTIVE
MULTIDOSE DETACHABLE
SYSTEM*

- Presentation: Complete patient pharmacological information
- Anchoring system: Use positioning pegs to align the blister pack - simply the best
- Highly popular 8.5” x 11” format

- Filled by hand or with automated system
- Braille-coded blisters
- DISPELL Solutions: offered in different sizes
- Treatment: 7 days / 4 daily doses per card
- Labels are colour-coded for easy recognition and use

Visual inspection: transparent blister to view medications at a glance
- Integrity: medication protection assured by our effective labels
- Prescription changes: the pill dispenser can be modified and securely resealed

*Compared with pouches and other blister packs

DISPELL is your tried, tested and responsible solution... because you care about your patient’s safety and well-being.
As easy to peel as a tangerine!

A safe solution for patients with tremor or synchronicity problems with their hands.

DISPILL HYBRID PERMANENT

DISPILL permanent HYBRID multidose system offers the patient TWO simple ways to open.

BEND Row, Up & Down

AND

DETACH Row, then blister

PUNCTURE Along dotted line with your finger

OR

PEEL the label

PULL the label to OPEN

A full blister is easier to open using the movements PULL and PEEL!

UNIQUE FEATURES

Labels

Patented System
3-peg mounting method for perfect alignment of the label and blister card.

Anti-burr Edge
Produced with an anti-burr edge that controls adhesive residue when printing.

High Performance Adhesive, Label with a high performance permanent adhesive that adheres better to the blister.

Premium Fiber Labels
Paper produced from premium fiber for superior printing and greater stability, at any time.

Brighter colours that enhance the time of dose and facilitates reading.

Blister cards

The right capacity for all your needs

Unidose Permanent Resealable Permanent Deeper Hypso Hybrid

LARGEST CAPACITY ON THE MARKET

Blister cards with a precut edge for ease of opening

Automation

DISPILL unique features make it by far the best choice for pill dispensing automation.
